

# NMC 2016

## 13<sup>th</sup> Int. Workshop on Nanomechanical Sensing Delft, The Netherlands, 22-24 June, 2016

### Workshop Topics

- Instrumentation,
- Biological sensors,
- Chemical sensors,
- Theoretical modelling of sensors,
- Micro and nano fabrication
- Optomechanics
- Novel sensing platforms

### Important Dates

Abstract submission: 14 March  
Abstract confirmation: 11 April  
Registration closes: 22 May  
(Early bird)

### Invited Speakers

**Javier Tamayo**, IMM-CSIC, Spain
